

KING SOOPERS GROCERY CARD FUNDRAISER

We sell re-loadable King Soopers gift cards!

**PTA earns 5% of every dollar you spend at King Soopers using their re-loadable gift cards
PTA returns 2.5% of that to you to help with next year's school fees.**

Here's How It Works

1. When you purchase a card (\$25 value), we will note the card number and associate it with your family.
2. Each time you re-load (add value to) your card at the King Soopers checkout register or Customer Service desk, Kings will keep track of the amount you added to your card.
3. Each month, Kings will send a report of how much each card has been re-loaded for and will send us the 5% earned on those amounts. We will then split the 5% into 2.5% for PTA and accumulate the other 2.5% for your school-fee reimbursement account.
4. Prior to registration in August, 2011, you will receive an e-mail with your accumulated 2.5% earnings thru mid-July, 2011. This amount (up to your total school fees) will be reimbursed to you from PTA. See the PTA table at next year's registration for reimbursement (details in your July e-mail).
 - Original \$25 re-loadable card is sold to you at face value
 - Re-load your card with up to \$500 at a time
 - Purchase multiple cards for your family members & friends
 - Remember, you can purchase gasoline with them too at King Soopers gas pumps
 - When re-loading them at Kings, you can use your credit card to do so, not just cash or check
 - ★ When reloading at Customer Service, allow 5 minutes until your amount is recognized on the card
 - ★ When reloading at the Register, do so prior to clerk ringing-up your groceries
 - ★ Safeway is considering a re-loadable program as well. We will continue with Safeway if they adopt a similar program. Please let them know you are interested in a re-loadable card fundraiser!
